 Marco Arlotti, DASTU
 Andrea Parma, DASTU
 Davide Chiaroni, DIG
 Mauro Mancini, DIG
 Susanna Sancassani, METID
 Bianca Santolini, METID

CONTEXT/

Lombardy / Milan metropolitan area (Italy)

ABSTRACT

The project puts in place a series of pilot experiments aimed at developing a hub-and-spoke innovative model for the recovery and social re-use of assets confiscated from organized crime. The goal is to trigger social regeneration dynamics based on technical training and work placement of vulnerable groups, while leaving a tangible sign of equity and legality.
