

EQUI_06

Equity and Quality for Childhood.
Guidelines for an Integrated 0-6 Years
Support System

- PRESCHOOL SERVICES
- EDUCATION
- DEPRIVED NEIGHBORHOODS

ABSTRACT

The research aims at defining guidelines and general rules for the creation of integrated preschool service hubs, following an in-depth pilot study of needs and resources relating to early childhood (0-6 years). The main focus is on urban areas facing educational poverty and major social exclusion risks.
